

The 19th Annual 5K Run for The Gift

Saturday, November 7th, 2026 @ 7:00am
Mission of The Gift of Swimming

The Gift of Swimming was established as a 501(c)3 charitable organization in 2003 to address a serious gap in providing potentially lifesaving swimming training for economically disadvantaged and developmentally disabled children.

Statistics that support the compelling need for this program:

- **Drowning** - kills 9 people per day in the U.S.
- **Diversity** - African-American children drown at a rate that is 5.5 times higher than that of Caucasian children.
- **Fitness** - 1 in 3 children in America is overweight, putting them at risk for heart disease, diabetes, high blood pressure and emotional pain.
